

**Forza Energy was founded in 2012 in Hattiesburg, Mississippi**

**Home office is located in Birmingham, Alabama**

### **Vision**

*Dedicated to Efficiency. Committed to Service.*

### **Mission**

*Positively impacting our customer's bottom line by delivering a high efficiency LED lighting system that always exceeds expectations.*

### **Value Proposition**

*Forza Energy creates extreme savings for our customers by utilizing the perfect blend of the latest LED lighting technologies and products to replace antiquated and inefficient lighting systems.*

*We provide turnkey solutions that consist of finance, design engineering, incentive management and support – all of which drive down energy consumption, substantially increase lighting quality, while freeing our customers from long-term maintenance requirements and maximizing ROI.*

**SPEND LESS ON ENERGY:** *60-80% Lighting Energy Reduction*

**SPEND LESS ON MAINTENANCE:** *10-30+ Years of Maintenance Free Lighting*

**SPEND LESS ON ACQUISITION:** *The Right Manufacturer, The Right Price, The Right Result*

## **MAGNOLIA HEIGHTS SCHOOL – SENATOBIA, MISSISSIPPI**

**Project Completed:** *Christmas Break 2014*
