Mission: The mission of Hyde Park Schools is to provide a Christ-centered foundation of Biblical truth integrated in strong college-preparatory academics and well-rounded extracurricular programs.

The employee shall possess characteristics that reflect:

- Acceptance without reservation of the Hyde Park Schools Statement of Faith
- A lifestyle of biblical integrity
- Strong interpersonal skills and knowledge of Social Emotional Learning
- A spirit of dedication, commitment, flexibility, and responsiveness
- The ability to build trust and rapport with students, parents, and faculty
- The desire to grow personally, spiritually, and professionally

Job Description:

Hyde Park Schools seeks to hire a Middle School Math Teacher for the 2017-18 school year. Preferred candidates will have a passion for working with children in a collaborative community that encourages each child to meet his or her own potential. Qualified candidates will have at least a Bachelor's degree in education or related field, and a state issued Teacher's Certification in the appropriate area or grade level. All Hyde Park faculty are expected to have a commitment to continued professional growth to meet the needs of the 21st century classroom through educational articles, research, and professional development opportunities.

Duties and Responsibilities:

- Engage students in their learning through expressive language, visual demonstrations, and hands-on opportunities using best practice techniques and the integration of technology
- Encourage and support student participation in class discussions, group projects, and individual assignments
- Incorporate differentiated instruction into classroom learning opportunities with a focus on each child's unique learning style and development
- Assess student learning through the use of both informal and formal formative and summative assessments
- Maintain a physical classroom environment which is visually engaging, well-organized, encourages learning, and is free from distractions
- Guide students in their social emotional development with a focus on developing self-management, making good choices, and setting well-defined classroom and schoolwide expectations
- Foster healthy parent communication through email correspondence and phone calls, classroom newsletters or webpage, and parent/teacher conferences
- Build strong working relationships with colleagues and administrators which include both constructive feedback and mentoring of others
- Collaborate with colleagues on horizontal and vertical curriculum planning and cross-curricular learning opportunities
- Attend weekly chapel service with students
- Middle school teaching positions may include a small group advisory/Bible study assignment
