

## **PRESTONWOOD CHRISTIAN ACADEMY**

Prestonwood Christian Academy provides engaging and creative learning, combined with a structured and caring environment, as well as, teaching from a biblical worldview. Our degreed and experienced teachers partner with parents and aspire to provide the foundation for future PCA graduates attaining: *a fear and respect for God, a strong work ethic with an eternal perspective, a rigorous intellectual path resulting in a biblical worldview, a critical thinking mind and mastery of multiple curriculum objectives, as well as a demonstration of the love of Christ to all people.*

PCA offers a nurturing environment where every child is challenged to meet their full potential as they are introduced to the world of ideas. Classrooms provide an active, vibrant atmosphere where learning is fun and teachers meet each child's individual learning needs. Small groups and differentiated instruction contribute significantly to the quality of our academic program. Comprised of an administrative team, quality teachers and support personnel, PCA provides excellent language arts, math, science, social studies, Bible and fine arts programs which integrate a broad liberal arts curriculum, enabling students to develop meaningful connections and an understanding of concepts and traditional disciplines in light of God's world.
