FLEXIBLE ONLINE COURSES FOR SUMMER SCHOOL

Whether you need to recover credits from the past year or are looking to get ahead, online courses for the summer are a great option. Not only will you earn your credits, you can also still enjoy your summer with our flexible format.

Online summer courses enable you to earn credits in a flexible, convenient, and relevant way. Whether your post-high school plans are to attend college, or to pursue other challenging endeavors, familiarity with online courses and the technology that comes with them enable you to obtain 21st century skills that are a great asset for life.

Our online program includes over 100 core and elective courses that meet or exceed national standards, as well as College Board approved AP[®] courses! There are over 200 Dual Credit courses offered through regionally accredited Christian colleges and universities!

Certified Christian Instructors with Subject Matter Expertise are Assigned to Each Student!

Instructors will:

- Be a living example of a Christian to their students.
- Assist students academically in completing their coursework.
- Provide timely feedback on assignments and hold students accountable for their target due dates.
- Be available to respond to communication from students and parents within 24 hours during weekdays.
